## **EMPLOYEE RECEIVES HIGHER DEGREE**

An employee at the Engineer Research and Development Center (ERDC) recently received his master's degree.

Erwin A. "Alex" Baylot, Jr., a research engineer in the ERDC Geotechnical Laboratory, received his master's degree in Industrial Engineering with an emphasis in Management Systems Engineering from Mississippi State University. Baylot's area of expertise is primarily in the modeling and simulation of ground vehicle systems.

Baylot, a Vicksburg native, previously earned a bachelor's of science in industrial engineering from Mississippi State University.
